

ANNEX 1 - FACTSHEET

About PAL

The Programme for Active Learning, or PAL, was introduced to strengthen the emphasis on non-academic programmes within the curriculum. Under PAL, Primary 1 and 2 students would be exposed early to activities that further school efforts in developing character and life-skills. MOE has begun prototyping PAL modules in 12 schools this year, and have developed some very good ideas on PAL.

WowART's involvement in PAL

- Prototypes PAL – VA (visual art) for piloting schools, namely:
 - North Vista Primary School
 - New Town Primary School
